

'Not In My Town': Opioids & Our Adolescents

Have you talked to your teen about opioids? Free community forums have been organized to increase awareness and share information on opioids and adolescents in Muskoka. As a parent, grandparent, caregiver, teacher or coach, you can have a big impact on the youth in your life.

Tues May 16/17 6:00 – 8:00 pm at Gravenhurst High School

Thurs May 18/17 6:00-8:00 pm at Huntsville High School

Wed May 24/17 6:00-8:00 pm at St Dominic, Bracebridge (includes the BMLSS school community)

Let's start a conversation about prevention, education and treatment of opioid abuse.

Light refreshments will be available as well as the opportunity to find out about resources in our communities.

For more information, please contact Diane Baranik, Public Health Nurse, Simcoe Muskoka District Health Unit
