Reach out today

Please take the time to do this for yourself if you are in need - fill out the on-line referral form at waypointcentre.ca or call Waypoint Central Intake at 705 549-3181 ext. 2308 or 1-877-341-4229.

This service is not a crisis service. Anyone in crisis should use the mental health crisis line in your community, call 911 or go to your closest emergency department.

Waypoint is pleased to be working in partnership with the Mental Health and Addictions Centre of Excellence at Ontario Health and other provincial partners to provide this new service
