

**Canadian Mental
Health Association**
Muskoka - Parry Sound

Addictions and
Mental Health Services

Dear Valued Community Member:

It is with great excitement to announce that CMHAMPS presents our 4th year of McKenzie Bauer Fall Classic Golf Tournament on **Saturday September 24, 2022 at the local, beautiful Deerhurst Resort!**

We are looking to our community to continue to partner with us in supporting Mental Wellness and Addiction Recovery. One incredible way to support is through donation of items for our Silent Auction.

With the generous support of people like you, CMHAMPS will be able to increase our training education for staff to be able to provide more services within our crisis team. One initiative that will utilize these fundraised dollars is a mobile crisis response team (MCRT). This service is collaborative with OPP in our region and can provide community crisis response working alongside OPP for mental health calls.

Since the pandemic began in 2020, the need for mental health and addiction services to our community has experienced a tremendous increase. We have seen an increased need for our crisis services by 279% since last year and need for addictions services increased by 86% since last year.

CMHA works tirelessly to support Muskoka, but current funding is insufficient. Your generosity will certainly help bridge the gap, and your support makes all the difference!

Your generous contribution will directly impact our community, thank you in advance for your consideration! A tax receipt for donation in kind will be available upon request.

Looking to get more involved? Come golf with us! Registration information can be found at: bauerfallclassic.com
